

Capability Statement

Moving, furniture transport and assembly · Grafenwöhr · Vilseck · Germany · Europe

Company overview

Ruck Zuck Umzug UG (haftungsbeschränkt) is a moving and logistics company based in Weiden i.d.OPf., approx. 30 km from Grafenwöhr and Vilseck. We transport, deliver and assemble furniture and household appliances for private, commercial and institutional clients. Our own staff and our partner companies operate as one integrated team that we activate and coordinate centrally for each assignment.

Core competencies

- Transport of furniture and household appliances
- Household and office relocations
- Furniture assembly and disassembly
- Connection of household appliances (hard-wired by certified electricians)
- Loading and unloading support
- Packing services
- Clearance and disposal of furniture
- Storage and warehouse handling on request

Geographic coverage

AREA	COVERAGE	RESPONSE TIME
Local	Weiden, Grafenwöhr, Vilseck and surrounding communities, served by our own team	24–72 hours
Bavaria and Germany	Pickup, transport, delivery and assembly via partner companies Partner locations include Amberg, Nuremberg, Ingolstadt, Beilngries, Landshut area, Passau area and Rottal-Inn, as well as Berlin, Baden-Württemberg and Lower Saxony. Dedicated corridor Grafenwöhr/Vilseck – Ramstein available on request.	Regional 24–72 hours Nationwide within 72 hours
Europe	U.S. and NATO locations by road, e.g. Italy or Estonia Origin or destination in Germany. Multi-day assignments, coordinated in advance.	Germany – Italy 24–72 hours Other routes by agreement
EU to EU	Moves between two locations outside Germany Not part of our current offering; evaluated on request.	By agreement

Capacity fluctuates with demand. The earlier a requirement is shared, the more reliably we can allocate resources.

Fleet and crew capacity

Vehicles 3.5 t class	17 (e.g. Mercedes-Benz Sprinter vans and box trucks)
Trucks 7.5 t class	1
Personnel	Up to 54 movers, growing through ongoing partner onboarding

Experience

U.S. private customers	Moves for U.S. service members and their families in the residential communities around Grafenwöhr and Vilseck, including processing under the VAT relief program (NF-1 / NF-2 forms)
Installation access	Experience with the security screening procedures for entering the installations at Grafenwöhr and Vilseck; access so far arranged through sponsorship by service members or their families
Public authorities	Regular assignments for German public authorities, including job centers (Jobcenter), social welfare offices (Sozialamt) and the Federal Employment Agency (Agentur für Arbeit), with requirements for prior approval, cost estimates and documentation

What sets us apart

- **Single point of contact.** Contracting, coordination, quality control and invoicing run centrally through Ruck Zuck Umzug.
- **Scalable integrated team.** Our own local crew and our partner companies are activated and coordinated as one unit, sized to the assignment.
- **Controlled partner network.** Partner onboarding requires a written framework agreement, proof of trade registration and liability insurance. Further subcontracting by partners is contractually prohibited.
- **Familiar with U.S. forces procedures.** VAT relief forms, installation access screening and English-language communication with customers.
